

Media Group provides you direct access into over 100 of the top Jewish targeted newspapers nationwide.

J Media Group is a division of **Gemstone Communications, Inc.**, which has been successfully representing grassroots, community based media since 1977.

The readership of the J Media Group newspaper network takes your message into an affluent, educated community and family focused marketplace. Our newspaper network offers the perfect environment for the brand to consumer introduction and invitation. We reach the Jewish community in their markets and in their media – Media to Motivate™

Offering market and publication flexibility combined with complete 360° service fulfillment including a one contact, one order, one invoice system – J Media Group is your partner for Jewish targeted media placement.
