Re: Satmar Matzo Bakery, 427 Broadway, Brooklyn, New York

Dear Mr. Baker:

The New York City Department of Health and Mental Hygiene (“the Department”) is in receipt of your April 2, 2012 letter. Because test results from treated water from the well at 427 Broadway, Brooklyn NY have failed to meet potable water standards, the Department expects that your client, Congregation Yetev Lev D’satmer, will fully comply with the commitments you made on its behalf in your March 15, 2012 letter to the Department.

Sincerely yours,

Melanie V. Sadok  
Assistant Corporation Counsel
